Respected Sir,

I, the undersigned beg to bring the following few lenes for your kind and favourable consideration and orders

In the last Municipal Election I beg to state that out of 15 Members elected, only one Muslim Candidate has been returned This is quite disproportionate to the importance and the number of Muslim population in this Town - Out of the total population of 20,000, the population of the Muslims is as large as 8000 Every year 3 or even more than 3 Muslim Members used to be elected Looking to the unfortunate result of this year's election, nomination for my community becomes a necessity and I therefore request you to be kind enough to recommend my name for nomination and oblige

I pay a land tax of Rs 25/- per annum and I pay also a Municipal tax Rs 30/- every year come from a noble family and have served in the Municipal Council for 9 years as Councillor and have therefore good experience of the working of the Municipality In view of these reasons, I request you to Kindly recommend my name for nomination and by doing so enable my poor and minor community to be effectively represented on the Town Municipal Council and oblige

Thanking you in anticipation,

I beg to remain,
Sir,
Your most obedient servant
